The Sussex Collection

Quality log cabins

Why we are proud of the Sussex Collection log cabins

- High quality interlocking logs.
- A unique and specially designed 4-way tight fit chamfered notch system, leaving no room for damp or wind penetration.
- Joiner made oversized, extra-large doors and windows.
- The extra cabin height provides maximum usable space.
- High quality, weatherproof pressure treated floor bearers.
- Bespoke design and manufacture service available at no extra cost

Buy from our local trusted family business with unrivalled customer service and satisfaction.

GROOMBRIDGE

The Groombridge has a large 4ft veranda and a roof overhang it's ideal to relax on or to shelter from sun and rain. Also incorporates a large internal storage shelf above the veranda.
